About Us

Ultra Imaging Solutions LLC is a full service sales and service company specializing in both new & reconditioned medical equipment. With over 25 Years of experience, we bring an innovative and refreshing skillset to the ultrasound community and have experienced successful growth. Experienced engineers and consultative sales allow for ultrasound product and servicing, from inception to delivery. Our unrelenting focus to meet the needs of our customers provides the utmost cost-effective and reliable ultrasound systems, transducers, service solutions and post-sales support in today's changing healthcare environment.

Ultra Imaging Solutions provides an unparalleled solution to your medical needs from top manufacturers, worldwide.

Our Philosophy

We here at UIS hope that you will look to us as your first and best choice in new & refurbished medical equipment. Our philosophy is simple. We pride ourselves on customer satisfaction and hold ourselves to the highest standard of customer service. We are committed to using our expertise in the industry to identify and provide the right medical equipment to our customers at the best price in a timely and professional manner. We are not brokers; we are a full-service company, with a large selection of equipment and a comprehensive knowledge of medical equipment technology.

Core Values

The key elements summarizing Ultra Imaging Solutions core values are integrity, commitment, enthusiasm and fun. Founded in 2012 by partners Patrick Schmidt & Joseph Iapoco on a foundation of national and local alliances including major OEM's and FDA approved Start-Up companies to bring the newest and best medical technologies available for our customers. These strategic alliances are have been developed through many years of combined experience resulting in a powerful synergy unique to the needs of our clients.
